Eight Mile Lake Storage Authorization Summary

Icicle Peshastin Irrigation District
Prepared for: Chelan County Department of Natural Resources
Chelan County, Washington

Aspect CONSULTING	PROJECT NO. 120045	DATE FEB-2014	BY JRS / EAH
FIGURE NO. 1		REV. NO. ---	

Notes:

- Meander lines are approximately illustrated from available records and have been recreated to the extent feasible based upon bearings and distances provided from time of survey, and have been approximately used for the purpose of determining the general reference of shoreline relative to current shoreline based upon aerial imagery.
- Contours based on a survey performed for Trout Unlimited by Gravity Consulting, October 2013.

Contour
10 Feet Above High Water Mark,
Surveyed June 1930
Survey of Meanders of Eight Mile Lake,
Surveyed September 25, 1926
